### **Brian Scott Earns First Top-Five Finish of Season at Richmond International Raceway**

In his 150th NASCAR Nationwide Series start, Brian Scott and his No. 2 Shore Lodge Chevrolet Camaro started from the first position at Richmond International Raceway, his second-career pole at the 0.75-mile short track. Scott led the opening 43 laps of competition, after nearly a three-hour rain delay, in the 250-lap race. Initial reports were the Camaro was a little free, but more importantly the team needed to make adjustments to conserve the right-front tire. Scott settled inside the top-five for the majority of the race taking home a fifth-place finish. This is Scott's highest finish and first top-five earned of the season. Scott remains sixth in the driver championship point standings heading into Talladega Superspeedway on Saturday.

***Start - 1st    Finish - 5th    Laps Led - 45    Pts - 6th***

#### **BRIAN SCOTT QUOTE:**

"I think we had a third-place car tonight. I'm really proud of our effort on the No. 2 Shore Lodge Chevrolet Camaro team. This isn't the finish we wanted. We have to clean up our errors and be on the money when it counts."
