DDP Motorsports, Pathfinder Chassis and Anderson's Pure Maple Syrup in 2017

Knowles, WI (Dec. 14th, 2016) – DDP Motorsports will once again be partnered with Pathfinder Chassis from Sun Prairie, Wisconsin, to run the 2017 Pathfinder Super Late Model "House Car" for some select races during the 2017 Racing Season. Pathfinder Chassis is also proud to announce that Anderson's Pure Maple Syrup will be the Official Sponsor of the 2017 "House Car" project with Dennis Prunty being their Primary Driver.

Anderson's Pure Maple Syrup is a tradition over 85 years in the making. In 1928, Paul Anderson first shared the distinct taste of Wisconsin's Northwoods by producing delicately sweet pure maple syrup. Three generations later, his Grandson, Steve Anderson, still produces the pure, all natural, healthy alternative to artificial "maple-flavored" syrups. Anderson's Pure Maple Syrup can be found in Supermarkets and Specialty Stores all across the Country.

In 2016, the Pathfinder Chassis "House Car", driven by Matt Kenseth, won the Slinger Nationals in Slinger, Wisconsin and then they won the Dixieland 250 at WIR in Kaukauna, Wisconsin, with Dennis Prunty driving. Everyone at DDP Motorsports, Pathfinder Chassis and Anderson's Pure Maple Syrup are looking forward to this new 2017 partnership.

JJ Fabrication, Inc., the manufacturer of the Pathfinder Chassis brand of Asphalt Late Model Race Car, is headquartered at 3372 Burke Road in Sun Prairie, Wisconsin. They also currently offer the offset (straight rail) chassis, truck chassis and NASCAR perimeter chassis (*NASCAR Touring Series legal*).
